## VITAMIN C FACIAL KIT

- \* Deeply exfoliates skin.
- \* Promotes cell regeneration.
- \* Helps reduce sunburn.
- \* Lightens, rejuvenates, & replenishes the skin.
- \* Boosts collagen synthesis.

Keta Vitamin C facial kit is a 6 step professional treatment that takes just 50 minutes. As the amount of collagen in the skin tends to decline with age, accelerated by sunlight, lifestyle, free radicals, and inflammation, topical application of Vitamin C on the skin becomes imperative. It effectively boosts collagen synthesis and slows its degradation. Apart from replenishing the skin with Vitamin C, this facial also lightens the skin giving it a youthful and glamorous radiance. Use this facial once a month to exfoliate the skin deeply and promote cell regeneration so as to leave the skin brighter, replenished and rejuvenated.
